

Philadelphia Bike Forum

Advanced Sports, Inc. and the Bicycle Coalition of Greater Philadelphia invite local organizations and bicycle enthusiasts alike to participate in a one-of-a-kind bike forum. Spend time sharing your organization's mission and ideas with other bike enthusiasts from the greater Philadelphia region. We invite you to bring literature of any kind to share in this open meet & greet setting.

Walter Finch the Advocacy Director of the League of American Bicyclists and Tim Blumenthal the Executive Director of Bikes Belong, will be on hand to give an update on their respective organizations' national agenda.

Refreshments and light fare will be provided, courtesy of ASI. We hope you'll join us for a night of camaraderie and diverse discussion honoring our shared passion for bikes.
